CLOTHING REQUIREMENTS

White polo shirt, black pants, black belt, black shoes and black socks will be the official dress of this contest.

ELIGIBILITY

1. Open to active SkillsUSA members enrolled in Trade and Industrial Education courses.
2. Students will compete individually. Local contests should be held to determine which student will be the school's contestant.

EQUIPMENT AND MATERIALS

1. Supplied by the host:
 - a. One chairperson
 - b. Power-Point with 100 tools
 - c. Computer and Data projector
 - d. A score sheet with 100 blanks
 - e. Two sharpened pencils.

SCOPE OF THE CONTEST.

The state contest will consist of identifying 100 hand tools that will be shown on a screen via a data projector. The regional contest will consist of 50 hand tools. Students will be given 30 seconds to correctly write down the names of the tool shown on the screen. The next tool will be shown automatically until all tools have been displayed.

This is an individual competition. Ties will be broken by counting the number of misspelled words. The student with the least amount of misspelled words will be the winner. The second tie breaker will be the highest score on the written PDP test.
